JAMES E. NICHOLS MEMORIAL LIBRARY

ANNUAL REPORT OF THE TRUSTEES

1985

The trustees, three appointed by the Association, and three elected by the town, have met regularly on the third Wednesday of each month at 7:30 PM in the library with an average attendance of three to six members, plus the librarian.

Gertrude Martin, the librarian, reports the following statistics:

There are 10,327 books in the collection. Circulation figures for the year were 6,453 items, and the number of registered borrowers, 732. The entire book collection has now been completely catalogued according to the Dewey Decimal System.

Last March an I.F.Y.E. student who had spent some time in Egypt presented a program on the country to an interested audience of 28.

Mrs. Kenneth Sorlien has continued the popular story hour from October to May on Wednesday afternoons with a total of 114 children in attendance.

The new fire and temperature alarm control systems have been installed that constitute a much needed safety protection for our library building and contents.

An attractive new sign has been placed on the library lawn. One feature of the sign is its flexibility in showing any changes in hours, such as our continuing Monday open hours for a while after the usual closing time in September.

To mark the 75th year of the Nichols Memorial Library, the librarian and her assistant Nancy Whitman dressed in costumes, took part in the annual Fourth of July parade. The theme was "We Are the World". The library float was appropriately decorated with world maps, large picture books and a world globe. It won first prize for the "Most Original" entry.

This year has seen some personnel changes in the Board of Trustees. Both Merrill Beem and Amna Stabler have resigned after years of faithful service. They were replaced at the annual Association meeting in October by Walter Kneeland and Pamela Coe.

MEREDITH PUBLIC HEALTH NURSING ASSOCIATION

REPORT

---

The Meredith Public Health Nursing Association is a Medicare Approved Agency serving the communities of Meredith and Centre Harbor with Skilled Nursing, Physical Therapy, Speech Therapy and Home Health Aide services. The Agency also has a "loan closet" consisting of hospital beds, wheelchairs, commodes, walkers, crutches, canes and other small items to aid in the care of patients in their homes.

Staff: June Plummer, R.N., Director; Jane Kiah, R.N.; Craig and Steve Walton, R.P.T.; Judy Stocklin, CCC-SP; Donna Haddock, A/HH and Gail Pelczar, Sec./Bookkeeper.

Board of Directors: Raymond Hutchins, Pres., Patricia Hines, Vice-Pres., Mary Witcher, Sec./Treas., Beverly Bacon, Maurice Gregoire, Harry Plummer, Sr., Rev. Glenn Rice, Harold Sanderson, Barbara Woodward and Gaylord Woodworth.  
Honorary Board Member - Ruth L. Larsen.

Memorial gifts were received in memory of Laura Bryant, Florence Fournier, Marion Smith, Barbara W. Neal, Marshall S. Hodgson, Harry D. Craig, Dorothy J. Sargent, Dr. H. E. Olsen, Barbara Besserer, Joseph Zafarino, Louesa Godfrey, Mildred Moulton, George L. Anderson, Elizabeth S. Anderson, Ellen A. Peck, Joseph C. Dutton, Ethel S. Dutton and Howard Thompson. My sincere thanks to their families and friends for these donations.

I would also like to say thank you to everyone who made donations to our Agency this year and responded to our annual fund drive. All donations are used to help defray the cost of services provided to the residents of Meredith and Centre Harbor. I sincerely appreciate your thoughtfulness and generosity.

Services in Centre Harbor through November 30, 1985:

152	R.N. Home visits
9	Physical Therapy visits
106	Home Health Aide visits
167	B.P. reading at monthly clinics

Exec. Director/Supervisor

## INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL

### Report to the Towns

---

During 1985 the Inter-Lakes Day Care Center served 127 children from 98 families. Due to the increase in young children and low unemployment in the area our programs have been at or close to capacity for a majority of the year. The Inter-Lakes Day Care Center, Inc., is a private, non-profit, fully licensed, tax-exempt child care program incorporated in October 1971, and governed by a volunteer Board of Directors comprised of community citizens and parents. Our school is open on a year-round basis from 6:30 am to 5:30 pm, making it possible for parents to maintain employment. As a participant in the New Hampshire Child Care Food Program sponsored by USDA 8,096 hot lunches, 2,335 breakfasts, and 15,107 snacks were served during the year.

Our goals and primary responsibilities to working families are to provide a stimulating atmosphere with a program of social, emotional, physical, and cognitive development for ages three through twelve. The children receive creative development for ages three through twelve. The children receive creative and educational experiences, field trips, weekly movies, and many other enrichment activities. In addition we provide a full range of services of health care, nutrition, dental care, vision and hearing screening, child behavior and development with parenting education and resource availability for the entire family.

Programs offered include full and part-time child care, a Nursery School Program open to children of non-working parents, a Seven-Upper Program for school children before and after school and during vacation, individualized special needs for handicapped children or those in protection from abuse and neglect. A growing program we sponsor is a network of licensed Family Day Care Homes receiving federal reimbursement from USDA by serving nutritious meals and snacks while providing care for children of working parents in their homes. We currently have 23 homes under this program.

The total budget of the Inter-Lakes Day Care Center for 1986 is \$165,192. Of this we will be receiving in tuition paid by parents \$101,287, \$6,500 from N.H. Child Care Food Program (USDA), \$5,000 from N.H. Child Care Food Program (USDA) for sponsorship of Family Day Care Homes, \$2,713 from N.H. Job Training Partnership Act, and \$2,500 from United Way. This also includes the following: \$47,192 of which \$28,666 is Title XX and \$18,526 which must be raised in local funding. The money that is received from the towns is matched by the federal government under Title XX.

Area residents are cordially welcome to visit the Inter-Lakes Day Care Center and Nursery School at 11 Lang Street in Meredith.

CENTRE HARBOR PLANNING BOARD

ANNUAL REPORT

---

The activities of the Planning Board in 1985 showed an increase in Site Plan Review and Subdivision applications. These activities parallel the increase in the Real Estate market.

In March, the town voted in favor of the eight zoning ordinance amendments presented by the Planning Board. The members of the Board appreciate the continual support of the voters and welcomes suggestions from the citizens of Centre Harbor for future amendments.

Janice Mulherin resigned from the Board because she moved out of town. Janice was an active, knowledgeable participant and is missed. The Board is fortunate that Chalmers Coe has agreed to replace Janice on the Board.

In its quest for efficiency and so as not to overburden any one individual, the Planning Board voted to have three co-chairmen to share the duties and make it easier for the public to contact a co-chairman regarding procedures and policies.

It is a pleasure to thank the Selectmen for their unwavering cooperation with the Planning Board so that we are all able to serve the community well.

Clerk Joan Taylor has once again earned our thanks for her special contribution.

The Planning Board meets on the first and third Tuesday of each month at 7:30 in the Cary Mead Room, and we welcome the participation or observance of the public.

MAURICE R. COLLINS  
Co-chairman

## LAKES REGION FAMILY SERVICE ASSOCIATION, INC.

### Services to Families

Lakes Region Family Service Association, Inc. is a private, non-profit Agency which has existed in the Lakes Region for over twenty years. We provide individual, family, couples, and child/adolescent counseling. Since 1981, our Agency has provided a full range of emergency and rehabilitation services to violent families. Services to violent families include a 24-hour crisis line, shelter in host homes, transportation, advocacy, professional counseling, peer counseling, a support group for agused women, and a group for men who batter women.

Lakes Region Family Service has expanded its group offerings. We provide Assertiveness Training Courses on an on-going basis; our Agency also offers a workshop for children who need help in adjusting to their parents' divorce. We also provide a great deal of community education on such issues as family violence, parenting, and child abuse.

### Statistical Information

*	1985 652	15

\* (January through October 15, 1985)

We project that our Agency will serve a minimum of twenty (20) Centre Harbor families by December 30, 1985.

### Domestic Violence Program

Lakes Region Family Service is seeking assistance from the Town of Centre Harbor to help maintain our domestic violence program. This program has grown rapidly, serving 162 families in 1982, 262 in 1983, 325 in 1984. In 1985 we have served 275 families since October 15. In 1985 twelve (12) families from Centre Harbor have turned to us with problems of violence in the family. Our services to violent families serve the whole family, and we are particularly optimistic about the therapeutic value of our group for men who batter.

### Counseling Program

Families from Centre Harbor have been assisted with marital problems, alcohol problems, adjustment to divorce, and difficulty handling child/adolescent behavior. Our Agency works with as many family members as possible, and consults with other agencies such as schools that have a significant influence on family life. Our counseling services are provided by Master's level counselors and we have available consultation from our part-time psychiatrist. Residents of Centre Harbor are seen in Laconia and in Meredith at our one-day per week office in the Meredith Congregational Church.

## Shelter for Abused Women

Since the inception of the domestic violence program in 1981, a shelter for abused women has been part of our plan in order to make our services comprehensive. Temporary shelter (1 - 2 weeks) would allow us to serve those women whose mates are extremely violent, causing the women to seek refuge in a protected place. We currently house women in "host homes", but only three are available, and the host families work, go on vacation, etc., so that shelter is not consistently available. Some violent men will pursue women with harmful intent, and this kind of situation can place host families in danger. Extreme violence is not unknown to Lakes Region families; for example, two women that we are aware of have been murdered by mates in the last two years.

In June, Lakes Region General Hospital offered our Agency the use of a rent free house in Laconia, for the purpose of developing a shelter. The Laconia Rotary has given full backing to the project, in the form of \$2,000.00 and the manpower to rehabilitate the building. Our Board of Directors, in July 1985, decided to accept the use of the rent-free house and to meet the challenge of attempting to fund the new program since the need for this resource is so great in our region.

At this point, the house is nearly ready for use. Rotarians, Board members, Task Force volunteers, staff, and Altrusa volunteers spent six Saturdays cleaning, painting, and organizing a furniture drive.

Applications for funds have been made to the Chicago Resource Center (\$5,000.00), and other foundations. Our proposed budget includes \$4,500.00 from the Towns that presently fund us, and additional towns will be approached to help fund the Shelter. Funding amounts were determined on the basis of numbers served currently in the domestic violence program. We cannot operate the Shelter without this local support.

We urgently need your financial assistance in making a shelter available in the Lakes Region. The Shelter will allow women to escape violence and make important decisions; the men involved will have the opportunity to face the family problems and seek help accordingly. The Shelter will be the only one of its kind north of Concord, and will allow us to intervene with children who stay at the facility, as well as offering intensive counseling to assist violent families in changing their lives. We also would like to point out that a shelter program will be of assistance to police who frequently deal with emergency situations in violent families during the night.

## REPORT OF CENTRE HARBOR FIRE DEPARTMENT

1985

The year 1985 saw the Centre Harbor Fire Department respond to 151 calls. Strangely enough, 56 of these calls were for some type of fire, and 56 were for medical aid. The remainder were for such things as cover truck, lockouts, vehicle accidents, and special services.

No doubt, smoke detectors and clean chimneys have contributed to our local fire safety record. We hope that by this time every home is equipped with a smoke detector on every level including the cellar and the attic. It is illegal to rent a property that does not have smoke detectors installed.

It is also very important to remember to call immediately if you have a fire or medical emergency. The 24-hour number is 524-1545. In several recent cases, a prompt call by the home owner saved the structure. Although all our men are on radio alert, we still have the disadvantage of response time and travel time. Heavy trucks (1000 gallons of water) travel up hill slowly!

An ever present problem for the fire department is water supply. It is frustrating to arrive at a fire and not have access to a nearby lake, pond, or stream. We can arrive at the scene of a fire with about 2500 gallons of water. 90% of the time this gallonage is sufficient to do the job. If not, then the wait for additional incoming water is about 15 minutes, and a lot of property can be destroyed in 15 minutes. There are many places in the Centre Harbor first response area where nearby water is not accessible. Large fire pumpers need to get within 25 to 30 feet of the water supply, or even closer if possible. In many areas, lakeside cottages, boathouses, trees, walls, etc., block clear access to the water. Homeowners should be aware that the fire department is not responsible if there is no way to get at the water. For many this is a very serious problem which includes snow removal in the winter. Every effort should be made to keep all water sources open year 'round. Other than that, we recommend heat and smoke detectors, a private sprinkler system, or a very large insurance policy! If the fire department cannot get at the water, we cannot do the job. Should you have a serious fire right now, where can the fire department get 500 gallons a minute for sustained firefighting?

At this time, all homeowners and above all, all contractors and stone masons should be advised of the New Hampshire State Fire Code. This code became effective on November 8, 1984, and applies statewide. The following is a list of the codes as received from the Office of the State Fire Marshal.

### State Fire Code and RSA 155-A

<u>Organization &amp; No.</u>	<u>Edition</u>	<u>Title</u>
BOCA	1981	BOCA Fire Prevention Code

## PERMITS

Issued by New Hampshire Fire Chiefs  
(required by RSA or State Fire Code)

- I. Place of Assembly Permit
  1. Obtained by owner or operator of any place of assembly.
  2. Good for one year - no charge.
  3. Fire Chief may require building plans, showing type construction, exits, aisles and seating arrangements.
  4. Fire Chief shall inspect or cause to be inspected each plan of assembly. At least semi-annually and any other time to insure compliance.
  4. No permit under RSA 155:19 shall be issued to an owner or operator of any circus, carnival or any other place of assembly covered by canvas until such applicant shall furnish to the licensing agency a "certificate of flame proofing" of such tent or canvas.
  6. See RSA 155:17 through RSA 155:39.
- II. Application For Permit to Install Oil Burning Equipment
  1. Any person wishing to install any fuel oil burner shall first make application for a permit.
  2. See State Fire Code Fir 602.02(c)
  3. Fire Chief may require plans or sketches along with this application. Plans would show relative location of burners, tanks, pumps, piping and elevators at buildings, etc. (NFPA #31 1-4.2.1.)
  4. Application forms disseminated by the State Fire Marshal's Office (FMO OB-1).
- III. Permit to Operate Oil Burning Equipment
  1. Issued after installation is complete and all provisions of NFPA #31 and State Fire Code Fir 602 have been complied with.
  2. See State Fire Code Fir 602.
  3. Permit forms disseminated by the State Fire Marshal's Office (FMO OB-2).
- IV. Permit to Keep or Store Fuel Oil
  1. Not used (not valid) for tanks connected to oil burners.
  2. See State Fire Code Fir 602.
  3. Permit forms disseminated by the State Fire Marshal's Office (FMO-OB-3).

V. Permit to Purchase and Operate an Unvented Space Heater

1. Issued by Fire Chief to those wishing to purchase and use unvented space heaters.
2. The unvented space heaters shall be on the State Fire Marshal's list of approved unvented kerosene space heaters found in the appendix of the State Fire Code.
3. See RSA 158:28 and State Fire Code Fir 604.
4. Permit forms disseminated by the State Fire Marshal's Office (FMO UVSH#1)

SPECIAL NOTE - Regarding permits for construction of new public buildings.

Before starting new construction of schools, halls, theaters, or other "public buildings", the person responsible for such construction shall obtain a permit signed by the board of selectmen AFTER THEIR DUE CONSIDERATION OF ANY WRITTEN RECOMMENDATIONS OF THE FIRE CHIEF. (RSA 155-A:2).

Chimney brushes are still available on loan at the Centre Harbor Fire Station. Keep your wood dry and your chimney clean!

If the Fire Department can help you with any life safety problem, do not hesitate to call. Non emergency messages can be left with the Town Clerk at 253-4561.

Thanks for your unfailing support in 1985. Please keep in mind that fire detection is not the same as fire protection.

The men of the Centre Harbor Fire Department wish a fire safe year to one and all.

REPORT OF THE TOWN FOREST FIRE WARDEN  
and  
STATE FOREST RANGER

---

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Cats and Kittens	<u>42</u>
TOTAL	74
Total number of dogs, pups, cats and kittens from Centre Harbor	84

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1985. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Centre Harbor, especially the Animal Control Officer, to use our services more in 1986.

Sincerely,

FRITZ T. SABBOW  
Executive Director

LIFEGUARDS-RED CROSS SWIMMING PROGRAM

Lifeguards are on duty at the town beach the weekend after school lets out in June until Labor Day weekend. Beginner, Advanced Beginner, Intermediate, and Swimmer Red Cross classes were offered, and the number of students participating increased from 31 in 1984 to 38 in 1985. 95% of the children taught in 1984 returned, so we expect that there will be a need to have a few more classes in the summer of 1986. Pre-beginner and parent-tot classes were also offered with 16 children participating. The beach was used by many more tourists and guests this summer, which led to a need for full lifeguard coverage and the hiring on of a fourth lifeguard. Records show ten waterfront assists and four cases of first aid administration.

SUMMER PROGRAM

Summer events began with the Fourth of July Footrace, Independence Day Parade and fireworks on the town beach. The annual footrace drew 242 men, women and children who competed in 2-mile, 5-mile and children's races.

The Parks and Recreation Summer Program began the week of July 4th and continued for eight weeks. Bike and foot hikes, Fun and Games for pre-schoolers, tennis lessons, arts and crafts, frisbee golf and coed volleyball were offered every week with an average participation each week of 6, 12, 6, 22, 9 and 12 respectively.

Special events included the Hershey Track Meet in Concord on July 16th (5 participants), cartoons on July 18th (11), a field trip to Franconia Notch on August 6th (21) and Recreation Day at the town beach on August 16th (31).

OFF-SUMMER ACTIVITIES

A skating party for town residents was held February 16th (35 participants) at the town rink, and an Easter party on April 6th drew 44 town children for games, races, relays and an egg hunt.

A Fun and Games exercise class for pre-schoolers was conducted in January (8 week session), May, during the summer months, and again in September. The average participation was 12.

A Halloween Party on October 31st (approximately 75 attending) and Christmas Party on December 14th (12 children) capped off the year's events.

Co-ed volleyball is offered every Thursday evening at the Inter-Lakes High School gym (except during summer months), and is open to residents of the Lakes Region. Approximate participation each week is 24.

Approximately six hundred people participated in parks and recreation sponsored events this year.

PARK PROJECT DEVELOPMENT

A \$35,000 Land and Water Conservation Fund Grant was awarded to the Town of Centre Harbor this year for development of recreation facilities on the town-owned parcel of land at the corner of Routes 3 and 25B. During 1986 we hope to see

completion of a parking lot, softball field, two tennis courts and a tot play area for use by the town's residents.

We would like to thank the Centre Harbor Woman's Club, the Centre Harbor firemen and the residents of our community who have offered their support and enthusiasm for our recreation programs.

Report of the Executive Secretary of the

LAKES REGION ASSOCIATION  
July 1, 1984 to June 30, 1985

---

The Lakes Region Association brought together five Chambers of Commerce in the Region for a Cooperative Advertising/Mailing Program. Under a formula system it was set up so that each of the Chambers could participate at whatever level it was within their reach either financially or brochure-wise. This program used \$10,535.00 of cooperative funds and requested a State Matching Grant of a like amount, giving a total of \$21,070.00 for white space advertising, and a total of \$25,715.00 for the entire program. This includes expenses of mailing literature directly to those interested parties. This program stimulated over 38,306 individual requests. It is the envy of other areas and is now being copied.

Spring, while we were servicing these inquiries, our Lakes Region Attractions group were not to be outdone. They too planned a Television advertising program, raised \$16,410.00 of their own money and requested and obtained a Matching Grant for another \$16,410.00. They also had a new TV ad produced to upgrade the quality of the commercial. This well-designed program was used in the Greater Boston/Providence and Maine areas to encourage the day tripper as well as the longer time vacationer. This was most successful. They published and distributed 550M of their brochures and worked hard to keep the public informed that this is an excellent location for a vacation and a seasonal or year-round home area.

We again published the 92-page Where To In The Lakes Region book. With low water the distribution of the several navigational charts was a vital safety factor. We supervised the activities of the Lakes Region Attractions, a part of our organization. We guide new commercial property owners in management and promotion of their property. We work with many state agencies and are active with the N. H. Travel Council and the N. H. Hospitality Association.

The Lakes Region Association seeks to preserve the quality of life we have here in our special part of New Hampshire. We want to maintain and preserve our natural resources, our lakes, our fields, and forest so that they can be enjoyed by not only those of us who live here, but also by those who visit our Region.

I have faith in our communities, their judgement and their ideals and know the Lakes Region Association will continue to work comfortably with our communities to mutual goals.

Respectfully submitted,

MILDRED A. BEACH, Exec. Sec.

1985-86 WORK PROGRAM:

The Lakes Region Planning Commission (LRPC) is an agency voluntarily established by its members (towns and cities) for the purpose of providing a forum for discussion, study, development of recommendations and solution of problems of mutual interest and concern. The agency provides planning and technical assistance, promotes inter-governmental cooperation and otherwise delivers a wide variety of services to the elected officials and citizens of the region.

This fiscal year's program reflects a diversified, ambitious and comprehensive range of activities. Emphasis will be directed as follows:

(1) Regional Planning

Provide current information, expanded data and analysis relative to the Regions's population, housing and other socioeconomic characteristics. Focus shall be on the compatibility of local master plans with the regional plan. An update of sections of the Regional Land Use Plan will be determined pending staff and financial considerations.

(2) Local Planning/Technical Assistance

Continue technical assistance to member communities, providing development of land use regulations which implement local Master Plans. These services include the review of local development proposals, subdivision regulations, codes and ordinances, master plans and other locally initiated requests for assistance.

(3) Historic Preservation

Continue to emphasize the importance of historic preservation and encourage communities to become aware of and involved in historic preservation needs and opportunities.

(4) Transportation Planning

To continue to provide technical transportation assistance to human service agencies in order to serve the transit needs of the handicapped and disadvantaged. To create, maintain and implement a regional transportation plan which provides policy direction in regional transportation issues.

(5) Environmental/Water Issues

Continue to monitor and recommend good planning for wise management of the region's natural resources. The LRPC shall develop minimum shoreland zoning codes and to coordinate a ten-year comparison of water quality changes in the Lake Winnepesaukee Watershed. Close coordination with local, regional and state agencies is expected.

Many other lake management issues continue to be unresolved and the LRPC shall remain active in water-related issues, planning standards, legislation, regulation, enforcement and public education.

(6) Solid Waste Management

A Solid Waste District Plan must be developed for waste management on a regional cooperative basis.

(7) Community Development

Continue to work closely with communities interested in economic development. Some activities, such as housing rehabilitation, municipal services improvements and capitalizing low interest loans for small businesses, reflect the types of development possibilities for the Lakes Region.

1984-1985 PROGRAM ACCOMPLISHMENTS

An important and illustrative way communities can address issues and problems which transcend town boundaries is through the use of regional entities, such as the Lakes Region Planning Commission. In addition to a great deal of experience in intergovernmental cooperation, the LRPC provides an ideal forum within which local governments may direct certain efforts, receive the benefits, and share the costs. In the past year a wide variety of issues, regional and individual, have been addressed. A brief list is as follows:

- (1) Completed four Master Plans for local municipalities.
- (2) Continued historic preservation activities resulting in local nominations to the National Register and two historic districts being placed on the National Register. Also, Historic Resource Inventories were completed for three Lakes Region communities.
- (3) Continued the supervision of a Regional Comprehensive Plan to maintain a balanced development approach in the Region.
- (4) Continued work on a Regional Solid Waste Management Plan.
- (5) Continued intergovernmental efforts focusing on water quality and lake management issues. Co-sponsored a series of lake management public meetings with the Clean Waters Association and the Office of State Planning to identify lake management issues of greatest public concern. Initiated a work plan for a Lake Management Study and continued to support local requests with land use regulations for watershed protection.
- (6) Provided assistance to Alton and Wakefield in receiving CDBG Feasibility Study grants. Completed a CDBG application for a community Center in the Town of Wakefield.
- (7) Provided or co-sponsored special programs, workshops and other meetings to address various planning-related issues, e.g., Five-Year State

Highway Plan; Municipal Law Lecture Series; Enforcement of Local Ordinances; Developments in the N.H. Legislature and Courts; Procedure for Local Land Use Boards; and other similar activities.

- (8) Provided local and regional planning and community development assistance to each member community.
- (9) Maintained a regional transportation effort related to the special needs of the elderly, handicapped and transportation disadvantaged.
- (10) Assisted local communities with regulation development over or adjacent to key groundwater resources.
- (11) Completed several planning related reports, such as Development Regulations in the Lakes Region, Shoreline Analysis of Lake Winnepesaukee, and the Lakes Region Housing Development Plan.
- (12) Promoted intergovernmental cooperation to address issues of mutual importance.
